1. Attached is a copy of referenced memorandum from [redacted] Legislative Counsel, outlining several legislative proposals in which the Agency was interested during the last session of Congress. In the final paragraph of [redacted] memorandum he recommends that we re-examine the adequacy of the legislative proposals and then hold a meeting to determine what action should be taken in the 85th Congress during 1957.

2. I would like to devote the 10 October DD/S Staff Meeting to this matter and, therefore, request that all offices having an interest in any legislation previously proposed or any new proposals, be prepared to report such proposals at this meeting. As an aid to [redacted] as well as others, it is requested that offices having concrete proposals to make submit them to this office in brief summary form on or before 5 October for distribution prior to the the 10 October meeting.
